
OF ORIGIN

Stocked in Sag Harbor last summer and now available in our online shop, Of Origin is an environmentally conscious Ibiza brand we loved at first sight. Its mission is simple: to reduce waste wherever possible. Instead of importing materials, Of Origin crafts its sandals using only what's available on the island—like jute (a sustainable crop that requires minimal water, pesticides, and fertilization) and soft leather hides.

OF ORIGINS .OO. SANDALS, goop, \$157; OF ORIGINS .OO. SANDALS, goop, \$186; OF ORIGINS .OO. SLIDES, goop, \$157; OF ORIGINS .OO. SANDALS, goop, \$157.
